ABOUT US

Tripple Star Marine Services LLC is a Dubai-based marine and industrial engineering services company providing repair, maintenance, fabrication and project execution solutions across the UAE. We support projects both afloat and ashore and work with marine, shipping, utility, energy and industrial clients.

Our strategic partnership with Tide Marine Services LLC at Workshop No. 380, Dubai Maritime City, further strengthens our marine repair and docking support capabilities in Dubai Maritime City.

Our capabilities cover ship repair and maintenance, structural steel repair and fabrication, marine piping, tank cleaning and rehabilitation, blasting and painting, scaffolding, mechanical equipment maintenance, insulation and cladding, and associated industrial services.

VISION

Our vision is to become the leading marine shipping services company, setting the industry standard for excellence and innovation. We aim to be recognized globally for our commitment to quality, reliability, and environmental responsibility. By continually investing in our people, technology, and processes, we strive to exceed the expectations of our clients and contribute positively to the maritime industry's advancement.

Through sustainable practices and a focus on continuous improvement, we aspire to enhance the safety, efficiency, and sustainability of marine vessel operations both onshore and offshore.

MISSION

Our mission is to be the trusted partner for all marine vessel maintenance needs, offering superior services that prioritize safety, efficiency, and environmental stewardship. We are committed to exceeding client expectations through innovation, professionalism, and dedication to excellence in every aspect of our operations.
